

so far this year...

Forward

Faith is how I will go forward. It is the perspective change I need.

Sustenance

Living faith forward means feeding my faith, especially when it would be easier not to.

Grace

We live faith forward together when Jesus' way of relational grace becomes our way of life.

Integrity

If I want to stand out, don't build a platform, build a lifetime of character + consistency + competence.

Attack

How I respond when I'm attacked is largely determined by who I am before the attack.

Perspective

How I see God changes how I see everything else.

Perspective

How I see God changes how I see everything else. As a Christian, I belong to the Ancient of Days, the Son of Man, and the Kingdom of God.

Prophecy

He makes known the end from the beginning precisely because he is God.

Prophecy

He makes known the end from the beginning precisely because he is God. He sent His Son, the King of Kings, to die for my sins.

Prayer

My prayers are often too small because I forget both the greatness of God & the greatness of his grace.

Confidence

The victory is won. Be confident and find your strength in Jesus.

Easter/Love

The real answer to all my insecurities is a new identity: I am loved by Jesus. The Cross is how I know I am loved, and the Resurrection is how I know it is all real.

Grace

Grace must reach below the surface to change my life above the surface.

Joy

Life in the abundant grace of the Gospel springs up in us abundant joy in God. (Thank you, Warren!)

Gratitude

Gratitude is inconvenient but is incredibly soul-cleansing & soul-changing.

Harvest 2022

Contentment

Changing circumstances is inevitable. Finding contentment through change in circumstances is not.

Stop Pretending, Embrace Weakness & Vulnerability

Real strength is found in admitting my weakness and learning to lean on Christ!

Soul Care 2.0

The Soul Care 1.0 series has been about the inner life. Soul Care 2.0 deals with habits that move from the inner life to outer life.

Dependence & Foundation

Jesus is inviting me to live every single day like my entire life depends on Him because it does.

Slowing

Like Jesus, I too need to adjust my pace to embrace my purpose.

Servanthood

If I want to be filled with the life of Jesus, I need to embrace the servant heart of Jesus.

Stopping

I need a God-defined rhythm of rest and renewal so that my soul can find refreshment.
